I understand that involvement in the Northwest Youth Corps YouthGrow Program requires high levels of physical activity, extended periods of time outside, and working as a member of a team. Oregon State law prohibits the use or possession of tobacco products by anyone under 18 years of age. If I join the YouthGrow Program, I agree to comply with this law and agree to refrain from the use of alcohol and illegal drugs during my entire period with NYC. I certify that I have completed the three narrative questions above myself and that all of the statements made in this form are true to the best of my knowledge.
